Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers cant beat! Veronika Decides to Die Paulo Coelho

2000-05-16 In his latest

international bestseller, the celebrated author of *The Alchemist* addresses the fundamental questions asked by millions: What am I doing here today? and Why do I go on living? Twenty-four-year-old Veronika seems to have everything she could

wish for--youth and beauty, plenty of attractive boyfriends, a fulfilling job, and a loving family. Yet something is lacking in her life. Inside her is a void so deep that nothing could possibly ever fill it. So, on the morning of November 11, 1997, Veronika decides to die. She takes a handful of sleeping pills expecting never to wake up. Naturally Veronika is stunned when she does wake up--at Villette, a local mental hospital, where the staff informs her that she has, in fact, partially succeeded in achieving her goal. While the overdose didn't kill Veronika immediately, the medication has damaged her heart so severely that she has only days to live. The story follows Veronika through the intense week of self-discovery that ensues. To her surprise, Veronika

finds herself drawn to the confinement of Villette and its patients, who, each in his or her individual way, reflect the heart of human experience. In the heightened state of life's final moments, Veronika discovers things she has never really allowed herself to feel before--hatred, fear, curiosity, love, and sexual awakening. She finds that every second of her existence is a choice between living and dying, and at the eleventh hour emerges more open to life than ever before. In *Veronika Decides to Die*, Paulo Coelho takes reader on a distinctly modern quest to find meaning in a culture overshadowed by angst, soulless routine, and pervasive conformity. Based on events in Coelho's own life, *Veronika Decides to Die* questions the meaning of madness and celebrates

individuals who do not fit into patterns society considers to be normal. Poignant and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.
