De lange weg naar de vrijheid Nelson Mandela 2017-10-21 De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

Cultures of Charity Nicholas Terpstra 2013-02-14 Renaissance debates about politics and gender led to pioneering forms of poor relief, devised to help women get a start in life. These included orphanages for illegitimate children and forced labor in workhouses, but also women's shelters and early forms of maternity benefits, unemployment insurance, food stamps, and credit union savings plans.

Environmentally Responsible Supply Chains Atalay Atasu 2016-06-15 This book highlights what it takes to be successful in identifying and executing environmental responsibility from an operational perspective. It provides cutting-edge research from globally recognized field experts. It is a useful resource for practitioners to explore why and how firms engage in environmentally responsible operations, but also a valuable resource for academics as an introductory reference that provides direct exposure to key environmental operational problems faced by many firms today. This book can also be used as an introductory reading for students with varying educational backgrounds - from business school students interested in environmental issues to environmental scientists interested in obtaining a business perspective - as it provides a broad scope of key issues at the interface of operations management and environmental and social responsibility. Environmentally Responsible Supply Chains is structured in a modular fashion, with each chapter introducing and analyzing a specific timely topic, allowing readers to identify the chapters that relate to their interests. More specifically, the book distinguishes between two key drivers of environmental responsibility: Profit and Regulatory compliance. The book is divided into five sections. The first three sections of the book explore profit driven environmental responsibility, and provide examples as to where the motives for environmentally responsible business practices come from, where business opportunities are, and what operational perspectives are key to profitability. The last two sections of the book focus on regulation as a driver of environmental responsibility and identify motives, opportunities, or operational perspectives as to effective regulatory compliance. Ultimately the book introduces the reader to the fundamentals of sustainable operations and highlights the latest research on the topic.

De Noordzeemoorden 2 IJskoud Isa Maron 2014-12-06 Op een koude novemberdag worden de doorgewinterde rechercheur Maud Mertens en de jonge Kyra Slagter weer samengebracht door een mysterieuze zaak. Twee jonge kinderen verdwijnen op bijna hetzelfde moment. Hoewel de politie met man en macht onderzoek doet, kan dat niet voorkomen dat er de volgende dagen meer kinderen ontvoerd worden. Er is geen enkele connectie tussen de verdwijningen: ze vinden overal in West-Nederland plaats, de kinderen zijn tussen de acht en twaalf jaar oud en er wordt geen losgeld geëist. Diverse Amber Alerts leveren niets op. Hoe meer kinderen verdwijnen, hoe groter de onrust in het land wordt. Voor Mertens vormen de verdwijningen een onwelkome herinnering aan een oude zaak waarin een jong meisje slachtoffer werd. Toch maakt dit juist dat ze verbeten achter de ontvoerders aan gaat. Kyra weet wat het is als een familielid wordt weggerukt en je vol vragen achterblijft: ontvoerd, vermist, vermoord? De zaak spoort haar nog meer aan haar eigen vermiste zus te vinden: vier jaar geleden verdween Sarina, zonder spoor of bericht. Tot Kyra ineens een briefkaart van Sarina ontvangt. IJskoud is het tweede deel in de spannende serie De Noordzeemoorden! 'Een mooie mix van gruwel en Hollandse "gewoonheid", onberispelijk en met veel vaart geschreven.' VN Thrillergids over De Noordzeemoorden 1

Lettere inedite di Muley-Hassen re di Tunisi a Ferrante Gonzaga, 1537-1547 Muley-Hassen re di Tunisi 1865

The Century of Women Rebecca Marie Messbarger 2002-01-01 These include an academic debate, a scientific tract, an oration, an Enlightenment journal, and a fashion magazine. Analysis focuses on the specific ways in which the exigencies of the 'new science' and the burgeoning Enlightenment project founded on rational civil law, secular moral philosophy, and utilitarian social ethics forced a transformation in the formal controversy about women."--BOOK JACKET.

Leone Leoni and the Status of the Artist at the End of the Renaissance

KelleyHelmstutlerDi Dio 2017-07-05 The late Renaissance sculptor Leone Leoni (1509-1590) came from modest beginnings, but died as a nobleman and knight. His remarkable leap in status from his humble birth to a stonemason's family, to his

time as a galley slave, to living as a nobleman and courtier in Milan provide a specific case study of an artist's struggle and triumph over existing social structures that marginalized the Renaissance artist. Based on a wealth of discoveries in archival documents, correspondence, and contemporary literature, the author examines the strategies Leoni employed to achieve his high social position, such as the friendships he formed, the type of education he sought out, the artistic imagery he employed, and the aristocratic trappings he donned. Leoni's multiple roles (imperial sculptor, aristocrat, man of erudition, and criminal), the visual manifestations of these roles in his house, collection, and tomb, the form and meaning of the artistic commissions he undertook, and the particular successes he enjoyed are here situated within the complex political, social and economic contexts of northern Italy and the Spanish court in the sixteenth century.

Rime, poesie latine, e lettere edite e inedite Francesco Berni 1885

The Sword and the Pen Konrad Eisenbichler 2012-11-15 In *The Sword and the Pen: Women, Politics, and Poetry in Sixteenth-Century Siena*, Konrad Eisenbichler analyzes the work of Sienese women poets, in particular, Aurelia Petrucci, Laudomia Forteguerri, and Virginia Salvi, during the first half of the sixteenth century up to the fall of Siena in 1555. Eisenbichler sets forth a complex and original interpretation of the experiences of these three educated noblewomen and their contributions to contemporary culture in Siena by looking at the emergence of a new lyric tradition and the sonnets they exchanged among themselves and with their male contemporaries. Through the analysis of their poems and various book dedications to them, Eisenbichler reveals the intersection of poetry, politics, and sexuality, as well as the gendered dialogue that characterized Siena's literary environment during the late Renaissance. Eisenbichler also examines other little-known women poets and their relationship to the cultural environment of Siena, underlining the exceptional role of the city of Siena as the most important center of women's writing in the first half of the sixteenth century in Italy, and probably in all of Europe. This innovative contribution to the field of late Renaissance and early modern Italian and women's studies rescues from near oblivion a group of literate women who were celebrated by contemporary scholars but who have been largely ignored today, both because of a dearth of biographical information about them and because of a narrow evaluation of their poetry. Eisenbichler's analysis and reproduction of many of their poems in Italian and modern English translation are an invaluable contribution not only to Italian cultural studies but also to women's studies.

Luigi Tansillo and Lyric Poetry in Sixteenth-century Naples Erika Milburn 2003

Luigi Tansillo is one of the most interesting and representative of the Petrarchist poets active in Naples during the mid-sixteenth century. This study reconsiders his substantial lyric corpus from a variety of perspectives, opening with a survey of the textual tradition and previous critical work on his verse. Four of Tansillo's lyric collections are examined in depth, and read from narrative and thematic points of view. Particular emphasis is placed on the evolution of the collections, by exploring the ways in which very different types of narrative implying different underlying poetics can be constructed using often identical poems. Parallel to this is a consideration of Tansillo's place within the broader literary historical context, and his use of verse as a political and ideological tool in the service of the Spanish viceroy of Naples. These detailed studies of individual poetic sequences are complemented by an analysis of Tansillo's poetic language within the context of Neapolitan reactions to the questione della lingua, and of his contribution to creating a fixed iconology for the representation of jealousy in the Renaissance and Baroque lyric.

Performance and Literature in the Commedia Dell'Arte Robert Henke 2002-12-12 This book explores the commedia dell'arte: the Italian professional theatre in Shakespeare's time. The actors of this theatre usually did not perform from scripted drama but instead improvised their performances from a shared plot and thorough knowledge of individual character roles. Robert Henke closely analyzes hitherto unexamined commedia dell'arte texts in order to demonstrate how the spoken word and written literature were fruitfully combined in performance. Henke examines a number of primary sources including performance accounts, actors' contracts, and letters, among other documents.

I3CAC 2021 Mahalingam Sundhararajan 2021-06-04 I3CAC provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss not only the most recent innovations, trends, and concerns but also practical challenges encountered and solutions adopted in the fields of computing, communication and control systems. Participation of three renowned speakers and oral presentations of the 128 authors were presented in our conference. We strongly believe that the I3CAC 2021 conference provides a good forum for all researchers, developers and practitioners to discuss.

The Medicean Succession Gregory Murry 2014-03-10 Cosimo dei Medici stabilized ducal finances, secured his borders, doubled his territory, attracted scholars and artists to his court, academy, and universities, and dissipated fractious Florentine politics. These triumphs were far from a foregone conclusion, as Gregory Murry shows in this study of how Cosimo crafted his image as a sacral monarch.
