Teaching Information Literacy and Writing Studies Grace Veach 2018-09-15 This volume, edited by Grace Veach, explores leading approaches to foregrounding information literacy in first-year college writing courses. Chapters describe cross-disciplinary efforts underway across higher education, as well as innovative approaches of both writing professors and librarians in the classroom. This seminal work unpacks the disciplinary implications for information literacy and writing studies as they encounter one another in theory and practice, during a time when "fact" or "truth" is less important than fitting a predetermined message. Topics include reading and writing through the lens of information literacy, curriculum design, specific writing tasks, transfer, and assessment.

Bedford Guide for College Writers With Reader 9th Ed + Net Tutor X. J. Kennedy 2012-03-27 With its process-oriented rhetoric, provocative thematic reader, up-to-date research manual, and comprehensive handbook, "The Bedford Guide for College Writers" gives your students the tools they need to succeed as writers -- all in one book. The Bedford Handbook Diana Hacker 2013-10-18 PACKAGE THIS TITLE WITH OUR 2016 MLA SUPPLEMENT, Documenting Sources in MLA Style (package ISBN-13: 9781319085476). Get the most recent updates on MLA citation in a convenient, 40-page resource based on The MLA Handbook, 8th Edition, with plenty of models. Browse our catalog or contact your representative for a full listing of updated titles and packages, or to request a custom ISBN. What habits are common among good college writers? Good college writers are curious, engaged, reflective, and responsible. They read critically. They write with purpose. They tune into their audience. They collaborate and seek feedback. They know credible evidence makes them credible researchers. They revise. The Bedford Handbook, based on surveys with more than 1,000 first-year college students, fosters these habits and offers more support than ever before for college reading and writing. New writing guides support students as they compose in an ever-wider variety of genres, including multimodal genres. New reading support encourages students to become active readers. Retooled research advice emphasizes inquiry and helps writers cite even the trickiest digital sources confidently and responsibly. Best of all, the Handbook remains a trusted companion for students because it is accessible, comprehensive, and authoritative. Instructors benefit, too: A substantially revised Instructor's Edition includes Nancy Sommers's personal mentoring—more than 100 new concrete tips for teaching with the handbook. Finally, integrated digital content is easily assignable and helps students practice and apply the handbook's lessons. See what's in the LaunchPad

Pelgrim langs Tinker Creek Annie Dillard 2019-01-10 In 1971 woont Annie Dillard, schrijfster van 'Pelgrim langs Tinker Creek', een jaar in de Amerikaanse staat Virginia, in een vallei waardoor de rivier Tinker Creek stroomt. Bijna dagelijks zwerft ze langs de oevers, waar haar geen detail ontgaat. Energiek en beziel vertelt ze in haar boek over de vaak genadeloze natuur in en rond de rivier en laat ze zien hoe gedurende de seizoenen alles onophoudelijk aan verandering onderhevig is. Ze dwingt de lezer voortdurend naar de details te kijken, en confronteert hem aldoor met het mysterie, de schoonheid én de wreedheid van het leven. En dat is meteen de grootste les van Dillards proza: dat we niet los van de natuurlijke wereld leven, maar er deel van uitmaken. Het met de Pulitzer Prijs bekroonde 'Pelgrim langs Tinker Creek'; is een subliem poëtisch essay, een zoektocht naar de betekenis van het leven en een natuurklassieker van jewelste.

The Bedford Guide for College Writers with Reader, with 2020 APA and 2021 MLA Update X. J. Kennedy 2021-09-02 This ebook has been updated to provide you with the latest guidance on documenting sources in MLA style and follows the guidelines set forth in the MLA Handbook, 9th edition (April 2021). Combining a

step-by-step rhetoric and a fresh thematic reader, The Bedford Guide for College Writers with Reader provides a strong foundation for first-year writing. Based on feedback from our advisory board, this edition of the Guide has been streamlined to strengthen its focus on academic writing. Expanded support for planning a writing project and carefully evaluating online sources enables students to write and research confidently. Engaging new professional and student essays provide relevant models of writing from sources--the kinds of assignments students will face throughout their years in college. The book's hallmark checklists help students move through every stage of the writing process, and Learning by Doing activities provide continuous opportunities for active learning.

De gebroken ladder Keith Payne 2017-06-08 Financiële onzekerheid leidt tot irrationeel en roekeloos gedrag Het verhaal van ongelijkheid is die van de sociale ladder. Wij kijken naar de mensen om ons heen om onze welvaart te bepalen. Een arme Amerikaan zou in India rijk zijn met zijn ijskast en smartphone, maar hij ervaart toch echte armoede. En op het moment dat iemand zich arm voelt, is wetenschappelijk aangetoond dat ze beslissingen op de korte termijn - die vaak op de lange termijn verkeerd zijn - gaan nemen. Keith Payne onderzoekt hoe ongelijkheid binnen onze eigen sociale omgeving ons financieel verdeelt. Maar ook welke ingrijpende gevolgen het heeft op de manier waarop we denken, hoe we reageren op stress, hoe onze immuunsystemen functioneren en hoe we morele ideeën, zoals rechtvaardigheid en eerlijkheid, bekijken. Ongelijkheid creëert sociale problemen, zoals een lagere gemiddelde levensverwachting, ernstige gezondheidsproblemen, psychische aandoeningen en criminaliteit. De gebroken ladder onderzoekt alle fysieke, psychologische en morele effecten van ongelijkheid en geeft zo een helder, maar ook verontrustend beeld over onze wereld in deze tijd. Keith Payne doceert psychologie aan de Universiteit van North Carolina. Hij publiceerde meer dan zeventig artikelen en hoofdstukken over ongelijkheid en discriminatie. Zijn werk is onder andere gepubliceerd in The Huffington Post, The Atlantic, Scientific American en Psychology Today.

Reconnecting Reading and Writing Alice S. Horning 2013-09-06 Reconnecting Reading and Writing explores the ways in which reading can and should have a strong role in the teaching of writing in college. Reconnecting Reading and Writing draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms. It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction.

Contemporary Composition Studies Edith H. Babin 1999 Composition studies is a rapidly growing and constantly changing field. At present, however, graduate students and writing teachers have little choice of current reference works that define key terms in the field and provide information about the scholars and researchers who have shaped and are shaping the discipline. This volume provides alphabetically arranged entries for 108 scholars and 128 terms and concepts central to composition studies. The entries for individuals chronicle the history of their contributions to the field, while the entries for terms record term development over time. The book includes generous bibliographical information and an appendix of scholars from other disciplines who have contributed to composition studies.

A Manual for Writers of Research Papers, Theses, and Dissertations, Ninth Edition Kate L. Turabian 2018-04-27 When Kate L. Turabian first put her famous guidelines to paper, she could hardly have imagined the world in which today's students would be conducting research. Yet while the ways in which we research and compose papers may have changed, the fundamentals remain the same: writers need to have a strong research question, construct an evidence-based argument, cite their sources, and structure their work in a logical way. A Manual for Writers of Research Papers, Theses, and Dissertations—also known as “Turabian”—remains one of the most popular books for writers because of its timeless focus on achieving these goals. This new edition filters decades of expertise into modern standards. While previous editions incorporated digital forms of research and writing, this edition goes even further to build information literacy, recognizing that most students will be doing their work largely or entirely online and on screens. Chapters include updated advice on finding, evaluating, and citing a wide range of digital sources and also recognize the evolving use of software for citation management, graphics, and paper format and submission. The ninth edition is fully aligned with the recently released Chicago Manual of Style, 17th edition, as well as with the latest edition of The Craft of Research. Teachers and users of the previous editions will recognize the familiar three-part structure. Part 1 covers every step of the research and writing process, including drafting and revising. Part 2 offers a comprehensive guide to Chicago's two methods of source citation: notes-bibliography and author-date. Part 3 gets into matters of editorial style and the correct way to present quotations and visual material. A Manual for Writers also covers an issue familiar to writers of all levels: how to conquer the fear of tackling a major writing project. Through eight decades and millions of copies, A Manual for Writers has helped generations shape their ideas into compelling research papers. This new edition will continue to be the gold standard for college and graduate students in virtually all academic disciplines.

De tortillagrens T. Coraghessan Boyle 2011-09-08 De Mossbachers wonen in een aangename buitenwijk in Californië. Kyra is makelaar, haar man Delaney publiceert over natuur en milieu en zorgt voor het huishouden, hun zoon Jordan en twee verwende terriërs. Niets lijkt hun geluk in de weg te staan. Cândido en zijn vrouw América zijn illegale immigranten uit Mexico. Hun leven in de Amerikaanse stad jungle waar het recht van de sterkste heerst, is het tegenovergestelde van dat van de Mossbachers. Verneeder, beroofd en uitgebuut vechten zij voor hun naakte bestaan. Wanneer de wegen van de Mossbachers en Cândido en América elkaar kruisen, blijkt hoe verschrikkelijk de wereld kan zijn als het dunne laagje beschaving waarop we ons beroemen, er onverhoeds afgekrabd wordt.
